Isn't it because we don't have any space to leave our coats at in the classroom?
We're gonna freeze to death.
Our school doesn't allow us to wear coats and that's just weird.

Yeah.
The wind is freezing.

Ah... So that's why...
Maybe the reason we don't have that space is because Japan is a small country...

Ah, I gotta bring the laundry in...
But I don't wanna...

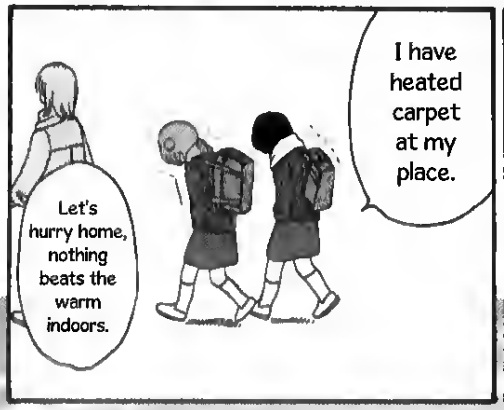
Let's buy a new one next year.
WAAH
I'll get the kotatsu out, but starting tomorrow you have to finish doing the laundry and that means no dozing off until you're done folding the clothes, all right?
I know, I know.
Geez.

IT'S COLD! I'M FREEZING!



I have heated carpet at my place.
Let's hurry home, nothing beats the warm indoors.

Ah, I have a kotatsu at home now.
Ooh, kotatsu!
That's nice.

Brrr! Into the kotatsu!
cold af
The forecast for tomorrow...
The temperature will drop even lower starting today...

ニヤ――…
Even though it's this cold outside, people are still queueing to buy the model's newest work...
ニヤ ニヤ
The sun has set and it has gotten even colder now.
This is the weather forecast, reporting live from Akasaka Tower.
The forecast for tomorrow...
The item we will be introducing to you tonight is a new sweets product in the department store's B1 floor...
It's made from fruits currently in season...

Whoa, her face looks really stupid.
カニャ
Shima, it's time for dinner.
What are we having today?
I tried making hot pot.
Come on, move aside.
Stores are selling vegetables to use in hot pot so it was easy to...
.....
HEY, SHIMA!
Oh, that.
They were still damp, so...

Just leave it, then.
I'll eat it later.
I would like this better if you boiled it for longer.
The cabbage is still hard.
I don't mind having hot pot again tomorrow.
If we keep eating the same thing, we'll get tired of it soon enough.

...by the following sponsors.
Shima, go take a bath.
Go now.
I will.
The program you're watching has ended, right?
I told you, I will!
You always doze off when you're inside the kotatsu, you know...
Annoying...
Yes, sir...

Shima, move the newspaper aside.
Chapter Twenty

We should eat 'em too.
Right, there's still some leftover hijiki from yesterday.
Ah,
Miso soup that dad makes
tastes like crap.
And the soup barely tastes like miso because he puts in a random amount of miso.
The radish isn't boiled right.

I think I have said this before, but...
All the miso soup that you make always turn out to be failures, don't they?
Shima, eat this too.
Why do you never taste-test when you cook?
You think so? But I already made it, so you should eat it anyway.
Actually, it's not like you only fail on making miso soup.
What's wrong with cabbage? They're good
I don't like having cabbage in my udon!
Like, you also put cabbage in udon,
and you use random amounts of ingredients and make things taste too strong or too light sometimes.
But your miso soup is the worst offender.

I wish the fourth period ends faster...
Ah, I'm hungry...
My lunch is provisioned by the school so it's fine.
Has everyone taken a seat?
Yes, we have!
Man, I'm so hungry.
Curry!
It's curry.

Thank you for the food!
Okay, then! Let's eat!
どぼん
Yeah, it does!!
The school's curry tastes so good!
Deli-cious!!
Me too.
がちゃ
I love school lunch!!
かちゃがちゃ
Sensei! Can I have more curry if there are leftovers?!
There aren't any, though.
Oh, me too!
Nooo!

Let's eat!
...Those grade school days were good days...
Well, the curry in front of me is just as delicious, but...
Why does
every-one
in this classroom
scoop their rice and curry separately, instead of just mixing them in the bowl?!

Tanabe, why do you mix them like that?
It's tastier and better that way...!
Everyone just mixes them back in grade school...
I want to pour this rice on the curry and mix them...!
You're weird.
It's not like I can unmix them back anyway.
Huh? It tastes best like this, though?
You eat like a little kid.

.....
Well, I can't.
I mean, look, none of the girls are eating it like that.

Shimaaa.
Go bring your own futon inside.
The sun's going to set, you don't want it to be all chilly and cold, don't you?
Oh, and we're having curry for dinner tonight. How does that sound?

- DAD'S CURRY -
1. HE ONLY MAKES IT ON HIS DAYS OFF.
Sure.
2. THE FILLINGS ARE BIG.
Because he's sloppy
Don't put anything weird in, okay?
3. HE PUTS A LOT OF WEIRD STUFF IN.
I don't know what you consider as "weird"...
No, you know! It's stuff like extra vegetables we have that you want to get rid of!
Radish...?
You're the type to judge from appearances, huh.
I mean, you don't like cabbage and chop suey.
It's bok choy or nothing.
But cabbage's good, you know?
It's cheap, too.

Curry is wonderful.
It still tastes good even if it's Dad who makes it.
I'm team fukujinzuke.
I said I don't!
Want some rakkyo pickles?
ぐじゃ
ガチャガチャガチャ
ぐじゃ

Mmm! Curry delish!
Do we still have curry for tomorrow?
We do.
...Won't you get laughed at if you eat like that outside?
You think so?
Well, whatever, we're at home anyway.
- MY DAUGHTER'S EATING HABITS -
1. SHE EATS CURRY LIKE A BARBARIAN.

Chapter
Twenty One

Sigh...
Why does she always want expensive stuff like this?
Besides, I'm positive that she won't be studying after she gets her hands on this.
It's always the same every year.
These New Year's cards are a pain but I do them anyway...
Man, this used to be fun back when I was a kid...

There were a lot of marriages this year, too...
I bet there's gonna be a stack of cards like these coming...
A HAPPY NEW YEAR
.....
.....

Ah, I remember playing this one on my smartphone!
So this one has a mobile version...
Hm...
I want this~!
Christmas comes before New Years, it's just the way it is, forget about it.
I'm going to have fun with my friend tonight anyway.
Hmmmmmmm...
Yeah, that's right. I told you before, remember? I found a place that's really good!
Hm? Ah, right, that one is good, too!
Ahh, choices, choices~

I'm lost...

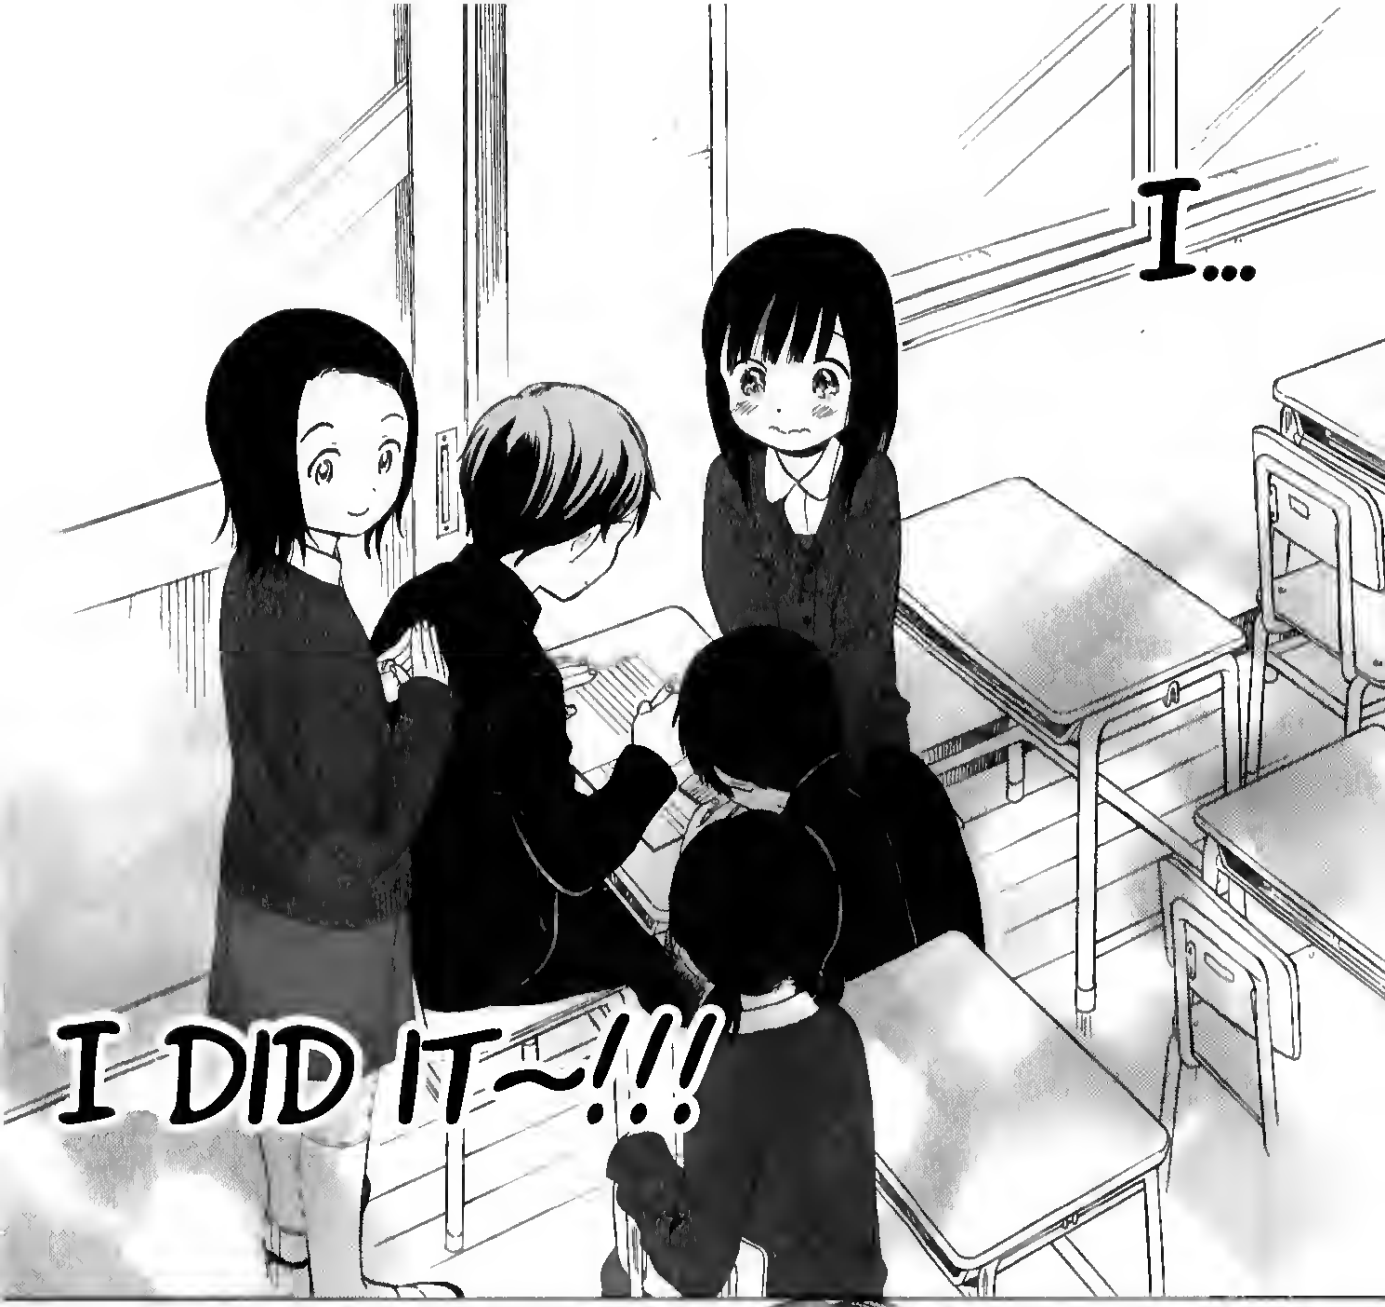
New Year's cards?

Yeah!
I wanted to send some to my mates too.
Can I have your address?
Oh, can I send you one, too?
Please write yours on the back of my note book...
Um...
Are you going to write all of your new year's greeting by hand?
Yeah.
I just like doing it.
English
Getting a lot of New Year's cards makes me feel like an adult...
Ah!

TWITCH
Hey, I want to send New Year's cards to you guys too, so...
Write your addresses here.
She sends them to the boys too, huh...
Here.
You write New Year's cards?
You should! Next year we might not even be in the same class.
Are you done?
Sure.
Should I send one to you too?
Err... I can't draw or do anything to make the card look fancy though...
It's fine, it's fine!

I'll be sending New Year's cards too, so can I have your add-resses?
Me, too-
ゴクッ
GULP

You should mail them before christmas.
Any later than that and it might not make it by New Year's.
Hey, when should I mail the New Year's cards, by the way?
Okay.



I...
I DID IT~!!!

...I'll give this to you, but promise me that you won't spend too much time with it, or I'll take it back.
Also, let me play with this sometime...
I know, I know! Just give it to me!

Couldn't you just unwrap it slowly instead of ripping them?
We could've used the wrapping for later...

Aki-chan...
HEH...
EHEHE HEHEHH

Yessir.
But I love having a girls' night out like this, too.
We'll have one next year!
Right?!
Let's try harder and give it our 110% this time!

Ah,
I got one for you too!
Here's my christ-mas present for you!

Let me play!
But Shima-chan herself said I could borrow it.
End of Chapter Twenty One

The snow keeps on piling up outside.
Whoa.
Chapter Twenty Two

What? It's still snowing?
I heard it's going to be a heavy snowing that only happens once in 30 years.
I hope the trains don't stop working because of it...

You're not kids anymore...

What if we build igloos and stuff? Sounds fun, don't you think?
Hah, yeah.
The best way to enjoy snow is by looking at them from inside a warm house.
Gee, what's up with you two...

Haa-aaah.
I wonder if the snow will get thicker.

The snow at my grandma's place was crazy.
AROUND THIS TALL
Oh, I made one back in New Year's.
A lot of people walk around this area,
so the snow's piling up at all.
I can't even make a snowman with this.
C'mon, snow more~
Huh.
the snow used to feel way thicker when we were little, didn't it?
Yeah, sure did.
Such olden days~
Yes, yes, yes. The snow was so thick back then.
Nowa-days, not so much~

Sigh.
But,
once I
step inside my home
Ahh, cozy!
I don't even want to go outside anymore~
Oh,
I should cover the plants on the veranda with some-thing...

I'm home.
Noo! It's too cold!
I gotta wash the rice...
Ah.
Ugh, I'll do it after the blizzard quiets down.

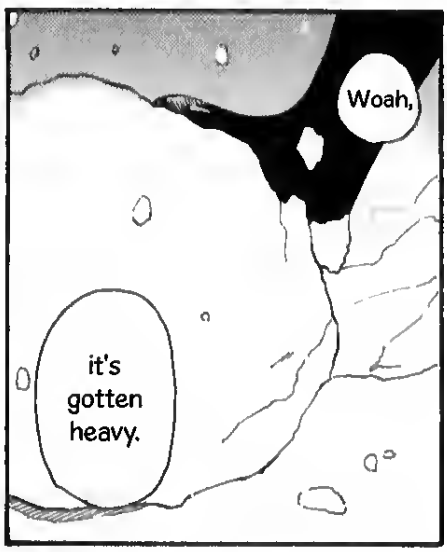
Hey,
do you want to take a walk outside?
Yeah.
Look at all that snow. Let's go to a convenience store.
Right now???
Right now?
Hmm, what should I get...?
It's not as cold as I thought it would be.

Hey, wait!
ズボッズボッ
It's way more fun playing with snow when it's still thick like this.
I'd rather go now than tomorrow, see.
ざくざくざく

Huuh?
Shima, go make a head for this guy.



Woah,
it's gotten heavy.

It's so bright outside even though it's this late...

Ow, this is biting.
ぎゅっ
ぎゅっ

Whoa, look at all that snow on your head.

What a warm color...

They say this heavy snowing only happens once in 30 years.
The next time it snows like this again, I'll be an old granpa.
Or maybe a dead granpa.

You think so?
People like you just don't die.
No way that's gonna be the case.
ズボ
Look at that parking lot, everything's totally white!
Aah!
Hiding my face in shame ...
What are you doing?
Sigh...
People call this "something-something angel"!
Hey, do you know?
